## NEW COURSE ALERT: “Florida Insurance Legislation: Keeping Up”

*Explores recent legislative changes affecting Florida P&C insurance*

**Old Saybrook, Conn., May 5, 2008:** CEU.com is pleased to introduce a new course examining the recent legislative changes in the state of Florida that affect Property & Casualty insurance providers. This course covers developments from 2005 through 2007, and it explores current issues facing P&C licensees in that state. This includes recent changes in continuing education requirements and licensing laws.

This comprehensive course also covers hurricane mitigation legislation, property insurance legislative reform, consumer protection laws (including those that are particularly relevant to Florida as well as those that affect the nation as a whole), workers' compensation, and automobile insurance.

To sign up for this course or to view our complete course catalog, visit CEU on the web at [www.ceu.com](http://www.ceu.com).
